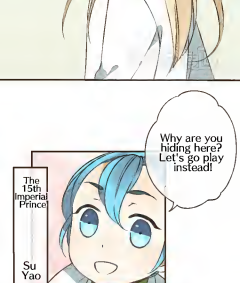
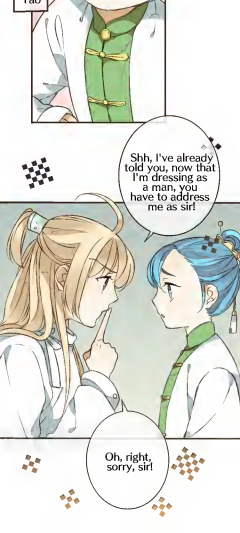
One month later-





Then, sir! Let's go play!

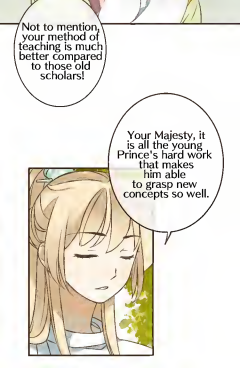
Hey, wait up...

Yao, so this is where you've been all along.
The Imperial Concubine
Xiao Shi

Mother! I was just looking for my friend to play with me!
You are only ever interested in playing!

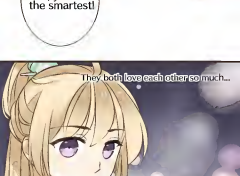
Greetings to Her Majesty.
You don't have to be so formal

Please, I would like to thank you for tutoring Yao. His father has been really busy lately.
Not to mention, your method of teaching is much better compared to those old scholars!



Your Majesty, it is all the young Prince's hard work that makes him able to grasp new concepts so well.

Mother, did you hear that? He said that I am very smart!
Yes, you are the smartest!



They both love each other so much...

Well, I shall now bring Yao to meet with his father, I apologize for the inconvenience.
I'll visit you later, sir!

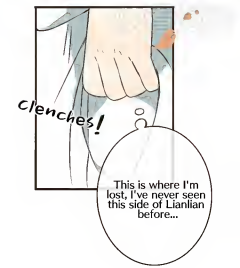
Respect to Their Majesties.

Imperial Concubine Xiao definitely is a strong woman. Even with what happened in her home, she still manages to appear so calm.

Really...

To be able to reach this position, she isn't an ordinary woman.

And I, I'll not forget. I even managed to meet Lianlian...

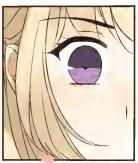


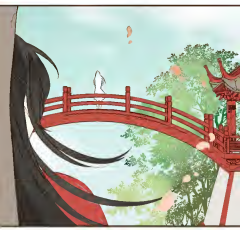
clenches!
This is where I'm lost, I've never seen this side of Lianlian before...

.....

It was definitely his voice, but it sounded so cold. . .

It was chilling to the bone. . .

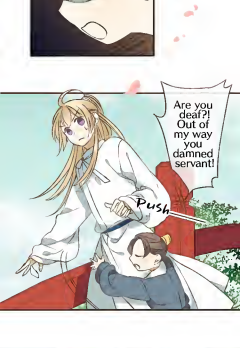




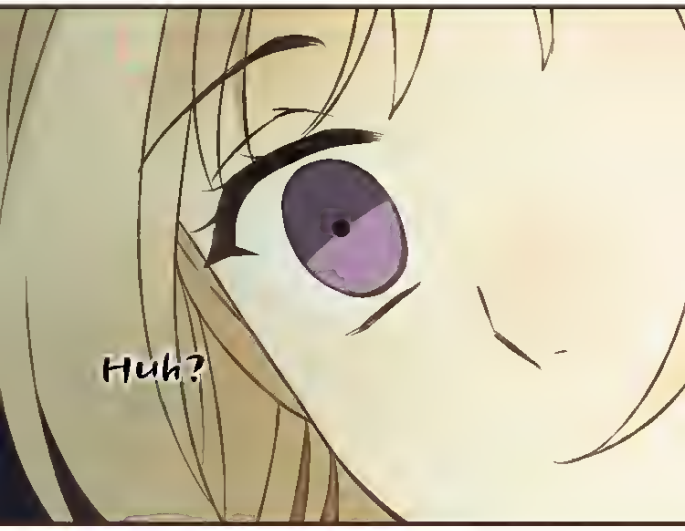
Ba-dump!!
Ba-dump!!

Go away, stop following me!
Slow down, young master!

Just get lost! You hear me?!

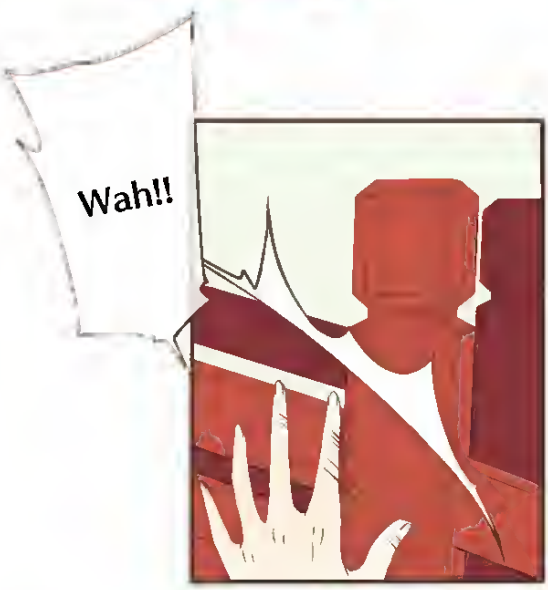


Are you deaf?! Out of my way you damned servant!
Push



Huh?

Falls



Wah!!

Oh no!
I can't
swim!!!
Lian

Splash
Ah! Help! Someone just fell into the water!

Ah, the maids and eunuchs again. Well, the water here is deeper than meets the eye...

I can't breathe! Am I really going to die like this?!

No... I still haven't met with Lianlian... and I have yet to punch his face too...

Please...

비내려!!
